

IV FISU AMERICA GAMES
LIMA 2026

MANUAL

HEAD OF DELEGATION

Welcome Message

Dear Heads of Delegation, representatives of the National University Sports Federations, and members of the continental university community:

On behalf of FISU AMERICA, it is my honor to extend to you the warmest welcome to the IV FISU AMERICA GAMES – LIMA 2026, an event that brings together the great family of university sports across our continent and reaffirms our commitment to integration, excellence, cooperation, and friendship among our nations.

These Games represent far more than a sports competition. They are a space for encounter, cultural exchange, and fraternal coexistence, where student-athletes, coaches, officials, and leaders share a common vision: to promote the comprehensive development of university youth through sport, education, and the values that unite us.

Lima, a city rich in history, culture, and hospitality, opens its doors to welcome the delegations of the Americas in an edition that we hope will be memorable for its organization, sporting spirit, and legacy for the university sports movement. We trust that each day of competition will be an opportunity to celebrate the talent, effort, respect, and fair play that characterize our community.

To all Heads of Delegation, we express our recognition for the important responsibility you undertake. Your leadership will be essential in ensuring the orderly, safe, and successful participation of each delegation, as well as in strengthening the bonds of cooperation among our federations, universities, and student-athletes.

We wish you a pleasant, enriching, and meaningful stay in Peru. May these Games contribute to strengthening the unity of university sport in the Americas and continue building, together, a future of greater integration, friendship, and excellence for our region.

With university and continental spirit, welcome to Lima 2026.

Alim Maluf Neto
President
FISU AMERICA

Welcome Message

Dear Heads of Delegation, authorities, representatives of the national federations, officials, and members of the university community of the Americas:

On behalf of the Local Organizing Committee (LOC) of the IV FISU AMERICA GAMES – LIMA 2026 and the Peruvian University Sports Federation – FEDUP, it is my pleasure to extend to you the warmest welcome to our country and to the city of Lima, host of this important celebration of continental university sport.

For Peru, welcoming the delegations of the Americas is both an honor and a great responsibility. These Games represent a unique opportunity to showcase our country's organizational capacity, the hospitality of our people, and the commitment of the Peruvian university sports system to excellence, inclusion, sustainability, and the development of our student-athletes.

Lima 2026 has been conceived as a comprehensive experience in which sports competition is complemented by cultural exchange, friendship among delegations, and the strengthening of the values that inspire the university sports movement: respect, discipline, solidarity, fair play, and teamwork.

To all Heads of Delegation, we extend a special welcome. We recognize the fundamental role you play as leaders, coordinators, and representatives of your countries throughout the Games. From the Local Organizing Committee, we reaffirm our commitment to providing you with continuous information, assistance, and coordination so that each delegation may carry out its participation under the best possible conditions.

Our team has been working with dedication to deliver organized, safe, and memorable Games. We hope that every participant will take away from Peru not only memories of the competition, but also the experience of having shared with a university community united through sport and the ideals of continental cooperation.

We wish you a successful, productive, and enriching stay. May the IV FISU AMERICA GAMES – LIMA 2026 be a true celebration of university sport and Pan-American integration.

Welcome to Peru. Welcome to Lima 2026.

David Timoteo Chero
President
Local Organizing Committee

1. Logo

The Lima 2026 logo is built upon the concept of light. Three luminaries rise together in alignment as a symbol of guidance, presence, and vision. Inspired by the host city, they represent Lima as a welcoming space that guides and supports the participating delegations.

Light expresses the core spirit of the IV FISU AMERICA GAMES – LIMA 2026: a continental gathering where university sports illuminate the path of a generation shaped through competition, learning, and coexistence. The three luminaries also reflect the bond between city, university, and sport; between athletes, officials, and academic communities; and between the present competition and the future that each student-athlete builds through their experience at the Games.

Therefore, the logo is not merely a graphic symbol, but a representation of Lima 2026's ultimate purpose: to unite the Americas around fair play, excellence, integration, friendship, and the bright future of university sports.

Logo Versions

The logo must only be used in the following versions according to the color palette.

Primary Vertical Version

Primary Horizontal Version

The use of the logo, official title, and other distinctive marks of the Games must comply with the brand manuals and visual identity guidelines approved by FISU AMERICA and the Local Organizing Committee. The General Regulations establish that the title "IV FISU AMERICA GAMES – LIMA 2026", as well as the logos, emblems, pictograms, and other signs associated with the event, are protected intellectual property and may only be used with prior authorization and in accordance with the official guidelines.

2. Mascot

The official mascot of the IV FISU AMERICA GAMES – LIMA 2026 is Gecko, a youthful, university-spirited, athletic, and inclusive character that represents agility, adaptation, continental unity, and the future vision of university sports.

Inspired by the geckos found throughout Lima's urban, coastal, and heritage environments, Gecko connects the identity of the Games with the host city, its huacas (archaeological sites), its biodiversity, and its urban life. Its image draws symbolic reference from the Lima leaf-toed gecko (*Phyllodactylus sentosus*), a Peruvian species associated with the city's archaeological sites. However, the mascot is not a literal scientific representation of this species, but rather a graphic and communicative interpretation designed to promote sporting, cultural, and environmental values.

Gecko embodies the spirit of Lima 2026: competing with energy, adapting to new challenges, respecting the rules, coexisting with other cultures, and looking toward the future. Its agility symbolizes athletic performance; its balance represents fair play and discipline; its adaptability reflects the resilience of student-athletes; and its bond with Lima highlights the importance of valuing the city's natural and cultural heritage.

As the official ambassador of the Games, Gecko will feature in official communications, welcoming activities, digital content, sustainability campaigns, signage, informational materials, and experiences tailored for the delegations. Its presence aims to strengthen the sense of community among countries, universities, athletes, officials, volunteers, and the public, aligned with the nature of the Games as the official continental university multi-sport event of the Americas.

Official languages	Spanish and English
Organization	FISU AMERICA, FEDUP and the Local Organizing Committee

Sports Program

- Mandatory sports: chess, athletics, basketball, judo, swimming, taekwondo, table tennis, volleyball, and futsal.
- Optional sports: handball, rugby sevens, beach volleyball, karate, and weightlifting.
- FISU AMERICA Football 11 is managed under a separate general regulation and shares the event dates. Competition venues are currently undergoing final validation by the Local Organizing Committee (LOC).

4. Role of the Head of Delegation

The Head of Delegation is the highest authority of the delegation during the Games. They officially represent the National University Sports Federation (NUSF), coordinate with FISU AMERICA and the LOC, and are responsible for handling requests, claims, technical protests, and the operational needs of their delegation.

Stage	Key Responsibilities
Before travel	Confirm registrations, documentation, insurance, itineraries, medical needs, dietary requirements, uniforms, payments, and contact details of the persons responsible for each sport.
Arrival	Coordinate airport reception, accreditation, accommodation check-in, room allocation, transportation information, and communication with attachés.

During the Games	Participate in Heads of Delegation meetings, validate operational changes, supervise conduct, coordinate with sport delegates, and ensure attendance at technical meetings and ceremonies.
Competition	Handle technical protests, validate rosters, coordinate uniforms, schedules, transportation, and the requirements of each sport.
Departure	Confirm itineraries, outstanding balances, check-out procedures, return of allocated spaces, luggage arrangements, airport transportation, and the final incident report.

Operational Principles

- All official communication from a delegation must be channeled through the Head of Delegation or a formally authorized person.
- Operational requests must be submitted in writing for traceability purposes.
- Changes related to schedules, venues, transportation, competitions, or ceremonies will be communicated through bulletins, official groups, and information centers.
- Technical decisions will be resolved in accordance with the technical regulations and the governing sports bodies of each discipline.

5. General Information about Lima and Peru

Topic	Information for Delegations
Climate	July corresponds to Lima's winter season. Estimated temperatures range from 14°C to 19°C, with cloudy skies and light drizzle. Layered sportswear, windbreakers, and light jackets are recommended for mornings and evenings.
Currency	The official currency is the Peruvian Sol (PEN). It is recommended to carry cash for small purchases and to use authorized currency exchange offices.
Credit Card and Cash	Most stores and services accept credit or debit cards; however, some smaller vendors or services may require cash.
Electricity	Reference voltage is 220V and 60 Hz. Delegations are advised to verify in advance the compatibility of chargers, laptops, medical equipment, cameras, and other electronic devices. Delegations are also recommended to bring universal travel adapters, especially those compatible with Type L plugs (three aligned pins), as well as other international standards used by their teams and technical staff.
Time Zone	UTC/GMT -5.
Water	It is recommended not to drink water directly from the taps. The Village will provide drinking water stations for the use of all participants.
Official Airport	Jorge Chavez International Airport. It will be the sole official arrival and departure point for all delegations.

Visa	Most countries in the Americas do not require a visa for short-term stays. Haiti requires a visa. Each delegation must verify updated immigration requirements with their corresponding Peruvian consulate.
------	---

General Entry Requirements

- Valid Passport, recommended with at least six months of validity remaining.
- Return ticket or proof of departure from the country.
- International health and accident insurance valid for the entire duration of the stay.
- Letter or documentation of participation, when requested by immigration authorities.

6. Official Contacts and Communication Channels

Institutional channel

- No conduct involving sexual or workplace harassment, physical or psychological violence, discrimination, bullying, or acts contrary to fair play will be tolerated.
- Infractions may lead to sports and administrative sanctions, and/or actions in accordance with Peruvian legislation.
- Heads of Delegation must report any safety, safeguarding, or welfare incidents to the LOC through official channels.

18. Frequently Asked Questions (FAQ) and Official Answers

What is the medical service situation?

The LOC is working on a comprehensive medical care plan to guarantee the safety and well-being of all delegations. Primary medical care will be available at the Village and sports venues, along with ambulances during competitions and a referral network to designated clinics and hospitals.

Will there be a polyclinic in the Village for medical supplies?

Yes. During the stay of the delegations, an operational medical clinic will be available inside the Athletes' Village, equipped for primary care and basic medical supplies. A permanent ambulance service will also be available for emergencies or transfers.

Where will the medical rooms that a delegation can use to treat athletes be located?

Each delegation will be assigned a space/apartment based on their operational requirements and availability.

What will the opening and closing ceremonies be like? Where and at what time do they begin?

The LOC is evaluating two main alternatives: Arena Monumental, estimated time 17:00–21:00; or Coliseo Eduardo Dibós, estimated time 19:00–22:00. The final venue and schedule will be officially communicated.

When will all competition and training venues be finalized?

Venue validation will be announced after the final registration deadline on June 20. Afterwards, a general map with competition and training venue locations will be shared.

Will there be a venue map?

Yes. This manual includes a reference map. The LOC will share the official version with final venue locations and routes once venue validation has been completed.

What will be the situation regarding exclusive lanes for private buses?

The LOC is coordinating with the IPD, MINEDU, Ministry of Transport, Metropolitan Municipality of Lima, and the Traffic Police to implement measures that ensure efficient and safe travel. The confirmation of specific lanes or permits will be officially communicated.

Will the LOC provide transportation for cultural activities?

The cultural and complementary logistical program is still in the final stage of evaluation and approval. The LOC will communicate details regarding official activities and transportation.

Will the swimming competition count toward the World Aquatics ranking?

The validation process with World Aquatics is at an advanced stage. Official confirmation will be communicated by the LOC/FISU AMERICA once received.

Big Ten Network: Will there be a fee for press accreditations with Access to the Village?

Media accreditations will be free of charge. However, broadcasting rights, official audiovisual coverage, clean feed, or exclusive broadcast may be subject to specific conditions and potential fees.
